Project: Twine
Logo Design & Visual Identity

Manuela Fiori, visual strategy, design & multimedia production

Project: TWINE

Funded by the European Union

the Lisbon council think tank for the 21st century

Concept

Human-Centricity Intersection

Concept: Rooted in “Community and Immersive Services.”

Visual Elements:

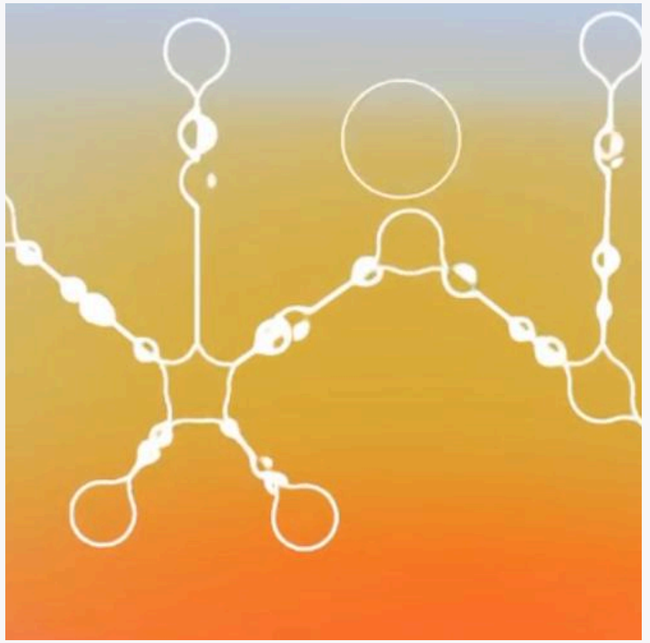

The visual identity focuses on interconnectedness and collaboration across the federation.

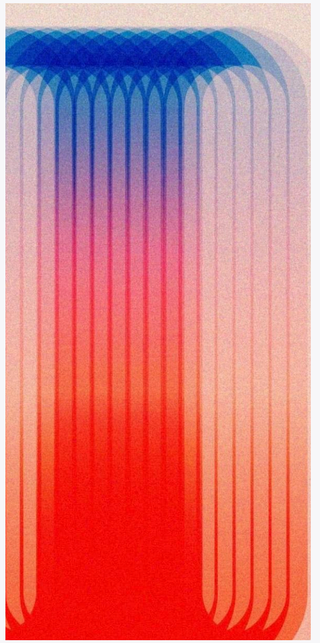

Minimal geometric shapes intersect and overlap to symbolise the touchpoints between Web 4.0 and federation members.
